Subject: Tariff Waiver - Measurement & Prior Period Adjustments

Notice Text:

Applies to all affected customers, including affiliates.

Section 6.7 of the General Term and Conditions of the Dominion Energy Transmission, Inc. (DETI) FERC Gas Tariff states: "Prior period adjustment time limits are six months from the date of the initial transportation invoice and seven months from the date of the initial sales invoice, with a three-month rebuttal period, excluding government-required rate changes..." For customers having meters with testing requirements of six months or greater, DETI does not have the ability to make measurement adjustments within the allotted time period. DETI will make these adjustments when available.
