Notice Text:

NOTE: Previous posting updated to reflect company change from Dominion Energy Transmission, Inc. to Eastern Gas Transmission and Storage, Inc. (EGTS).

Applies to all affected customers, including affiliates.

Section 8.5 of the Market Center Services Rate Schedule of Eastern Gas Transmission and Storage, Inc. (EGT&S) FERC Gas Tariff states: "Clearance Requirement. Customer is required to reduce its Balanced Quantity at each individual Balancing Point to zero, within 15 days of the receipt or delivery of such quantity for Balancing Service." EGT&S suspends the enforcement of this 15-day provision until further notice. However, the Pipeline reserves the right to reinstate the application of this provision at a future date should the need arise, upon appropriate notification to our customers of this change.
